Program: 8:30am - 12:30pm
Fee: \$225.00 early registration
\$240.00 if registering within seven days of program
Fee waived for MAHEC employees; registration required
Location: Simulation Center
MAHEC Biltmore Campus

PRE-REQUISITE

Before the course, complete the mandatory module at: <https://elearning.heart.org/course/423>

The Advanced Cardiovascular Life Support (ACLS) Initial and Recertification Provider course is designed for healthcare providers who either direct or participate in resuscitation of a patient, in or out of the hospital setting. The goal of the ACLS Provider course is to improve the quality of care provided to the adult victim of a cardiac arrest or other cardiopulmonary emergency. Students will practice the application of these and other skills in simulated cases, and will practice both team leader and team member roles.

OBJECTIVES

- Recognize early management of peri-arrest conditions that may result in cardiac arrest or complicate resuscitation outcome
- Initiate early management of peri-arrest conditions that may result in cardiac arrest or complicate resuscitation outcome
- Demonstrate proficiency in providing BLS care, including prioritizing chest compressions and integrating AED use
- Manage cardiac arrest until the return of spontaneous circulation, transfer of care, or termination of resuscitation
- Identify ischemic chest pain and treatment strategies
- Expedite the care of patients with acute coronary syndromes
- Recognize other life-threatening clinical situations, such as stroke and what effective initial care and transfer criteria are needed to reduce disability and death

AUDIENCE

Physicians, advanced practice providers, nurses, pre-hospital emergency personnel, respiratory therapists, dentists, and other professionals who may respond to a cardiovascular emergency

CREDIT

CEU

The Mountain Area Health Education Center designates this entire continuing education activity as meeting the criteria for **0.40 CEUs** as established by the National Task Force on the Continuing Education Unit.
