

NC ASTHMA SUMMIT

Team-Based Asthma Care

MAY 1, 2019

LOCATION **St. Mark's Church**
1230 St. Mark's Church Road
Burlington, NC 27215

DATE **Wednesday, May 1, 2019**

REGISTRATION PROGRAM 7:15 am–7:50 am (*refreshments provided*)
7:50 am–4:00 pm (*lunch provided*)

EARLY REGISTRATION FEES THROUGH APRIL 24, 2019

PROGRAM FEE **\$65.00 per person** (\$80.00 after 4/24/19)

DESCRIPTION

Kick off Asthma and Allergy Awareness month at this annual, one-day, interprofessional summit. It will highlight team-based asthma care with information about social determinants of health and managed care, include practical presentations about pulmonary function testing, asthma devices and asthma guidelines, plus cover hot topics like e-cigarettes and biologics. Exhibitors will be on-site with information about asthma-related products and services.

AUDIENCE

Audience includes Health Educators, Nurses, Respiratory Therapists, Environmental Health Specialists, and other interested professionals.

OBJECTIVES

Upon completion of this summit, participants will be able to:

- Discuss Medicaid managed care as it applies to asthma
- Incorporate social determinants of health into care of persons with asthma
- Cite the impact of e-cigarettes on asthma
- List biologics used in asthma
- Utilize correct practical approaches to treatment of asthma, such as PFTs or devices or guidelines
- Include healthy housing resources for the care of persons with asthma

in collaboration with

FACULTY

Michelle Bucknor, MD, MBA, is the Chief Medical Officer for North Carolina Medicaid at United HealthCare. Formerly, she was the Chief Medical Officer of Community Care of North Carolina (CCNC), in Raleigh, NC and the Medical Director of Community Care of Wake and Johnston Counties. Dr. Bucknor has diverse clinical and administrative experience in academic, community health center, hospital, and managed care environments focused on vulnerable populations. Prior to transitioning to an administrative role, she was a practicing primary care pediatrician for over 20 years in the urban core of Kansas City, KS. There, she was committed to a holistic approach to improving the health of the underserved community through community service and collaborative partnerships.

Iiona Jaspers, PhD, is a Professor in the Departments of Pediatrics, Microbiology & Immunology, and Environmental Sciences and Engineering; Director of Curriculum in Toxicology & Environmental Medicine; and Deputy Director of the Center for Environmental Medicine, Asthma, and Lung Biology at the University of North Carolina at Chapel Hill.

Kirsten Leloudis, JD, MPH, is a staff attorney with Legal Aid of North Carolina and works on the organization's medical-legal partnership program.

Christine Pernell is the Program Coordinator of the Partners in Health and Wholeness (PHW) Program with the NC Council of Churches in Raleigh, NC. Prior to coming to the Council, she spent several years in corporate America with The Diabetes Treatment Center and Honeywell International before joining a faith-based, nonprofit, medical clinic serving the uninsured and underserved of Franklin County. Chris is excited to be a part of the Council's PHW program, where she can utilize her background in healthcare and service.

Cornell Wright, MPA, serves as the Executive Director of the NC DHHS Office of Minority Health and Health Disparities. He is a subject matter expert around the areas of health equity and disparities, minority health, and community engagement.

Amy Trees, BS, RCP, RRT-NPS, RPFT, AE-C, is the asthma care manager and pediatric pulmonary function coordinator at Mission Children's Hospital (HCA) in Asheville, NC.

Sharon Rohrer, RRT, RCP, AE-C, CTTS, is a respiratory therapist who works in nicotine dependence at Mission Health (HCA) in Asheville, NC.

Margaret Donohoe, MD, is board certified in Allergy & Immunology and Internal Medicine. Dr. Donohoe is a physician with Albemarle ENT, Asthma & Allergy Associates in Elizabeth City, NC.

Brett Byerly is the Executive Director of the Greensboro Housing Coalition in Greensboro, NC.

Michael Handley is the Manager of Home Ownership Rehabilitation & Compliance for the North Carolina Housing Finance Agency in Raleigh, NC.

Alan Huneycutt, MPH, REHS, HHS, is a Senior Environmental Specialist with the NC DHHS Office of Children's Environmental Health. He is also an intermittent Logistics Coordinator with NC-1 Disaster Medical Response Team, National Disaster Medical System.

NC ASTHMA SUMMIT

Team-Based Asthma Care

MAY 1, 2019

REGISTRATION

Early registration deadline: April 24, 2019

The registration fee for this program is \$65.00. This fee includes administrative costs, educational materials, refreshments, and lunch. If registration is received after the deadline, the total fee will be the registration fee + \$15.00.

MAHEC has a pay-up-front policy for all CE programs. The only exceptions will be for pre-approved programs where an individual payment plan is appropriate. Registrations received without an accompanying payment will not be processed and participants who have not paid the course fee will not be admitted into the program.

Cancellations received at least two weeks in advance of the program date will receive a full refund unless otherwise noted. Cancellations received between two weeks and up to 48 hours prior to the program date will receive a 70% refund unless otherwise noted. No refunds will be given for cancellations received less than 48 hours prior to the program date. All cancellations must be made in writing (fax, mail, or email). Substitutes can be accommodated in advance of the program.

By registering for this summit, you are granting permission for your contact information to be shared with Asthma Alliance of North Carolina (AANC), which is a joint provider of this education event.
