By registering for this workshop, you are granting permission for your contact information to be shared with UNC Chapel Hill which is a collaborating partner of this continuing education activity.

MAHEC engages in evaluation activities to better understand the impact of our programs. By registering for this course, you agree that we may use your personal information in evaluative research regarding this program. Any reports published will be de-identified and reported in aggregate format.

MAHEC assumes permission to use audio, video and still images from this program for promotional and educational purposes. Please speak with a staff member if you have any concerns.

This program includes up to 1.0 hour per module of controlled substances content.

As of July 1, 2017, all physicians (aside from residents), physician assistants, nurse practitioners, podiatrists, and dentists who prescribe controlled substances must satisfy the controlled-substance prescribing CME requirement set forth in 21 NCAC 32R .0101. Requirements vary by discipline and board. Prescribers will turn in controlled substance CME when they renew licensure.
