DISCLOSURES

MAHEC engages in evaluation activities to better understand the impact of our programs. By registering for this course, you agree that we may use your personal information in evaluative research regarding this program. Any reports published will be de-identified and reported in aggregate format.

This program was designed to satisfy, in part, the North Carolina Medical Board's CME requirement for controlled substance prescribers. Per NCAC rules: As of July 1, 2017 all physicians (other than residents), physician assistants, nurse practitioners, podiatrists, and dentists who prescribe controlled substances must satisfy the controlled-substance prescribing CE requirements as set forth by their licensing boards; requirements vary by discipline and board.

Funding for this initiative was made possible (in part) by grant no. 1H79TI081968-01 from SAMHSA. The views expressed in written conference materials or publications and by speakers and moderators do not necessarily reflect the official policies of the Department of Health and Human Services; nor does mention of trade names, commercial practices, or organizations imply endorsement by the U.S. Government.
