### DISCLOSURES

MAHEC engages in evaluation activities to better understand the impact of our programs. By registering for this course, you agree that we may use your personal information in evaluative research regarding this program. Any reports published will be de-identified and reported in aggregate format.

Mountain Area Health Education Center (MAHEC) is an approved provider of continuing nursing education by the North Carolina Nurses Association, an accredited approver by the American Nurses Credentialing Center's Commission on Accreditation.

This program was designed to satisfy, in part, the North Carolina Medical Board's CME requirement for controlled substance prescribers. Per NCAC rules: As of July 1, 2017 all physicians (other than residents), physician assistants, nurse practitioners, podiatrists, and dentists who prescribe controlled substances must satisfy the controlled-substance prescribing CE requirements as set forth by their licensing boards. Requirements vary by discipline and board.

MAHEC assumes permission to use audio, video and still images from this program for promotional and educational purposes. Please speak with a staff member if you have any concerns.
