DISCLOSURES

By registering for this workshop, you are granting permission for your contact information to be shared with DHHS, which is a collaborating partner of this continuing education activity.

MAHEC engages in evaluation activities to better understand the impact of our programs. By registering for this course, you agree that we may use your personal information in evaluative research regarding this program. Any reports published will be de-identified and reported in aggregate format.

This document is supported by funds from the North Carolina Department of Health and Human Services through the Centers for Disease Control and Prevention (CDC) Cooperative Agreement Number 6NU90TP921993.

Funding for this initiative was made possible (in part) by grant no. 5U79TI026556-03 from SAMHSA. The views expressed in written conference materials or publications and by speakers and moderators do not necessarily reflect the official policies of the Department of Health and Human Services; nor does mention of trade names, commercial practices, or organizations imply endorsement by the U.S. Government.

This program includes up to 2.0 hours of controlled substances content. Per NCAC rules: As of July 1, 2017, all physicians (other than residents), physician assistants, nurse practitioners, podiatrists, and dentists who prescribe controlled substances must satisfy the controlled-substance prescribing CE requirements as set forth by their licensing boards. Requirements vary by discipline and board.
