

Pharmacology Made Insanely EASY

Friday, March 4, 2016*

Pharmacology Made Insanely Easy is back again by popular request.

Spend one fun-filled day learning easy strategies to help you with critical thinking and clinical reasoning situations. Accelerated Learning techniques and the Educational Theory of Cognitive Learning are the framework for this workshop. You will learn to prioritize medications and nursing care, associate learning by using mnemonics, music, active learning, images and color. You will be able to remember those drugs while having fun. You will improve your test-taking skills and boost your confidence.

* **Snow Date: Thursday, April 7, 2016**
