## FACULTY

**Loretta Manning, MSN, RN, GNP**, is the President and Co-Founder of I CAN Publishing®, Inc., an organization that specializes in services and resources to simplify complex information for nursing students and faculty. She is a nurse practitioner with a clinical background in pediatric trauma. Loretta is an award-winning instructor that has taught in ADN, BSN, and MSN programs. She has been a Director of Children's and Woman's Services at Willis Knighton Medical Center in Shreveport, LA, and serves as a consultant in many schools of nursing. Loretta earned her MSN in nursing from Indiana University, BSN from Indiana State University in Terre Haute, Indiana, and Nurse Practitioner Certificate from The University of North Carolina in Greensboro, NC. She is an international speaker and a sought after resource for faculty development and student presentations. Her expertise is in developing nursing faculty particularly in the areas of NCLEX®, item writing, teaching strategies, and pharmacology focusing on integrating patient safety and Joint Commission Standards in both clinical and the classroom. Loretta has worked both nationally and internationally with nursing students in preparation for NCLEX®.

## DESCRIPTION

Pharmacology Made Insanely Easy is back again by popular request. Spend one fun-filled day learning easy strategies to help you with critical thinking and clinical reasoning situations. Accelerated Learning techniques and the Educational Theory of Cognitive Learning are the framework for this workshop. You will learn to prioritize medications and nursing care, associate learning by using mnemonics, music, active learning, images, and color. You will be able to remember those drugs while having fun. You will improve your test-taking skills and boost your confidence.

*Please note: Registration will end on Monday, March 15th, so that all participants will be able to receive a textbook for this program. Please note that your personal USPS mailing address will be shared with I Can Publishing for the sole purpose of mailing you the necessary textbook for this program.*

## OBJECTIVES

Upon completion of this activity, participants will be able to:

- List the revisions in pharmacology on the NCLEX-RN®
- Discuss the major drug-drug interactions and the rationale for them
- Identify test-taking strategies for NCLEX® and pharmacology success
- Prioritize clinical decision-making in relation to pharmacology and new NCLEX® Standards

## AUDIENCE

RNs, LPNs, Student Nurses, Nursing Faculty, RN Refreshers, Nurse Practitioners, Medication Aides

## CREDITS
