Target Audience

Clinical nurse preceptors and clinical educators interested in advancing their preceptor skills and in advancing their preceptor role.

Description

The North Carolina Area Health Education Center (NCAHEC) is offering a live webinar that will build upon the 2023 webinar, Teaching Strategies for the Experienced Preceptor. This year we will take a deep dive into generational differences and strategies to foster communication, techniques/strategies to utilize when precepting someone from a different generation and/or someone with more experience and explain how to address the experience-complexity gap in nursing. Learn from a panel of experienced preceptors how to handle challenges and how to advance preceptor skills in today's healthcare environment.

Outcome

80% of participants will be able to list one precepting strategy they learned from the webinar.
