

School Nurse Clinical Competency Workshop

MARCH 20, 2023

DESCRIPTION

Calling all school nurses in Western North Carolina and beyond as well as pediatric nurses and teachers!

Please join us for a dynamic day of learning in the MAHEC Simulation Center. This workshop will combine lecture and simulation to educate school nurses on how to handle common school injuries, complex medical needs of students, and support the mental health of children and teenagers. Simulation scenarios and skill stations will be used to give participants hands-on experience and real-time feedback to better prepare them for handling childhood diseases and emergency situations.

A light breakfast as well as lunch is included in the registration cost. Also, please call registration at 828-257-4475 or register via this brochure to receive a discounted rate for five or more nurses who want to attend from the same school nurse program.
