Notes
Vacation: 4 weeks per year
For the OP/US block, clinical time is divided equally between office MFM and US.
Labor and Delivery (LD) rotation includes a half day of continuity clinic each week at MAHEC clinic
Genetics (GEN), Selective (S), and Elective (E) time may include both inpatient (Mission Hospital) and Outpatient (MAHEC) experience. They will not include Research time.

Site 1: MAHEC
Site 2: Mission Hospital

Abbreviations:
 OP: Outpatient
 US: Ultrasound
