

Coronal Polishing for the DA

SEPTEMBER 13, 2024
OR OCTOBER 12, 2024

DESCRIPTION

This lecture and lab-based course includes a comprehensive 3-hour lecture, followed by a 4-hour clinical lab session to provide the basic concepts and techniques in polishing all exposed tooth surfaces with a rubber cup or brush driven by a slow-speed hand piece. This course meets the education requirements to prepare the dental assistant (whether a DA I or a DA II)* for core competence in coronal polishing as mandated by the NC Board of Dental Examiners.

Required: Each registrant must complete and return these four fillable forms by September 3, 2024 (for 9/13 class) or October 1, 2024 (for 10/12 class) to participate! Please scan and email them to Rosalyn Wasserman at rosalyn.wasserman@mahec.net or fax them to her attention at 828-407-2876.

1. Verification Form along with documentation of current BLS or CPR completion
2. Proof of Professional Liability Insurance Coverage
3. Medical/Dental History Form
4. Consent/Release Form

[Click here](#) to view and download the required forms.

Participants must bring a lab coat, safety goggles or face shield; K95 mask; and hand piece. Scrubs are recommended but not required.

Hand piece: Participants must bring a slow-speed hand piece or hygiene hand piece capable of accepting disposable prophylaxis angles. If a hand piece is brought that only accepts individual prophylaxis cups (screw-type or latch-type) please bring 6-8 prophylaxis cups along with the hand piece.

Class lab supplies donated by BencoDental™.

REGISTER ONLINE
FOR 10/12/24

Location	MAHEC Education Building 121 Hendersonville Road Asheville, NC 28803
Dates	Friday, September 13, 2024 Saturday, October 12, 2024
Registration	8:30 am–9:00 am (light breakfast provided)
Program	9:00 am–5:00 pm (lunch provided)

AUDIENCE

Dental Assistants (DA I or DA II)

OBJECTIVES

Upon completion of this lecture and lab-based educational activity, participants will be able to:

- Discuss dental terminology related to coronal polishing
- Comply with North Carolina rules and regulations related to coronal polishing
- Recognize types of coronal tooth stains and deposits
- Describe the types of abrasives that may be used in coronal polishing
- Select appropriate polishing agents for different types of restorative materials
- Demonstrate proper techniques and infection control related to coronal polishing in a supervised lab educational session

AGENDA

- 8:30–9:00** • Registration and Check-in
• Light Breakfast (*provided*)
- 9:00–12:15** Morning Lectures
(*includes one 15-minute break*)
- 12:15–1:00** Lunch (*provided*)
- 1:00–5:00** Afternoon Clinical Lab Sessions
- 5:00** Adjourn

FACULTY

Lead Instructor: Karen Ledford Schwabenlender, RDH, BS, is a graduate of Central Piedmont Community College’s Dental Hygiene Program. She also holds a Bachelor of Science degree from Pfeiffer University, where she specialized in Healthcare Management. Karen has been an adjunct clinical professor for UNC–Chapel Hill, served on the Young Dental Advisory Panel, and written book reviews for the *Journal of Dental Hygiene*.

Supervising Afternoon Lab Dentist: Norman M. Zarr, DDS, is a dental faculty member at the MAHEC Dental Health Center and Center for Advanced Training in Asheville, NC.

DIRECTIONS

MAHEC Education Building
121 Hendersonville Road, Asheville, NC 28803

From I-40 E: Take Exit 50 and turn left onto Hendersonville Road.

From I-40 W: Take Exit 50B and merge onto Hendersonville Road.

At the first light, turn left into the DoubleTree Hotel complex. Turn left (away from the hotel). You will see a steep driveway on your right. Turn right and go up that driveway to the MAHEC Biltmore Campus.

From 19-23 (I-26): Take 240 East to Exit 5B (Charlotte Street). Exit right onto Charlotte Street. At the 4th light, make a left onto Biltmore Avenue. Proceed through 8 traffic lights. At the 9th light, turn right into the DoubleTree Hotel complex. Turn left (away from the hotel). You will see a steep driveway on your right. Turn right and go up that driveway to the MAHEC Biltmore Campus.

CEUs: MAHEC designates this live continuing education activity as meeting the criteria for **0.7** CEUs as established by the National Task Force on the Continuing Education Unit.

Contact Hours: MAHEC designates this live continuing education activity as meeting the criteria for **7.0** contact hours.

The NCBDE approved updated amendments to 21 NCAC 16H .0104, which were reviewed and approved by the NC Rules Review Commission on July 31, 2024, and took effect on August 2, 2024. The language of the Rule adopts two substantive changes:

- Paragraph (a)(3) recognizes appropriate military training/certification as a pathway to be classified as a DA II.
- Paragraph (b) removes the amendment, added in 2020, that requires working 3,000 hours before a DA I engaged in “in-office” training is allowed to take a course in coronal polishing that meets the requirements of 21 NCAC 16H .0203(b). The supervising dentist would be responsible for determining when a DA I in training can take a qualifying coronal polishing course and would retain responsibility for ensuring that the DA I is directly controlled and supervised while performing the procedure. This is the same standard applied to all delegable DA II functions set out in 21 NCAC 16H .0203(a).

Please note: The amendments to this rule do not change the necessity of completing 3,000 hours of work before a DA I in training may be classified by the employing dentist as a DA II.

Coronal Polishing for the DA

REGISTRATION

Course fees include administrative costs, educational materials, a light breakfast, and lunch. If your registration is received after the early registration deadline listed above, the total fee will be the registration fee + \$15.00.

MAHEC has a pay-up-front policy for all CE programs. The only exceptions will be for pre-approved programs where an individual payment plan is appropriate. Registrations that are received without accompanying payment will not be processed and participants who have not paid the course fee will not be admitted into the program.

Unless otherwise noted in course materials, the following cancellation policy applies to all programs:

- Cancellations must be in writing (via fax, email, or mail)
- Cancellations received more than 2 weeks prior to the event will receive 100% refund
- Cancellations received between two weeks and two full business days prior to the first day of the event are refunded at 70% of the registration fee subject to a minimum \$25 cancellation fee
- No refunds or credits will be given for cancellations received less than two full business days prior to the event
- No vouchers will be issued in lieu of a refund
- Transfers/substitute(s) are welcome (please notify us in advance of the program)
