Harm Reduction Approaches

**PROVIDED BY**

## DISCLOSURES

**This program includes up to 1.0 hour per session of controlled substances content.** It was designed to satisfy, in full, the North Carolina Medical Board's CME requirement for controlled substance prescribers. Per NCAC rules: As of July 1, 2017, all physicians (aside from residents), physician assistants, nurse practitioners, podiatrists, and dentists who prescribe controlled substances must satisfy the controlled-substance prescribing CME requirement set forth in 21 NCAC 32R .0101. Requirements vary by discipline and board. Prescribers will turn in controlled substance CME when they renew licensure.

MAHEC engages in evaluation activities to better understand the impact of our programs. By registering for this course, you agree that we may use your personal information in evaluative research regarding this program. Any reports published will be de-identified and reported in aggregate form.

MAHEC is approved as a provider of nursing continuing professional development by the North Carolina Nurses Association, an accredited approver by the American Nurses Credentialing Center's Commission on Accreditation.

*MAHEC assumes permission to use audio, video, and still images from this program for promotional and educational purposes. Please speak with a staff member if you have any concerns.*
