DATE	Wednesday, September 26, 2018
REGISTRATION PROGRAM	8:15 am - 9:00 am (<i>light refreshments provided</i>) 9:00 am - 4:30 pm (<i>lunch provided</i>)
Early registration fees through September 19, 2018	
FEE	\$55.00

DESCRIPTION

This one-day program will focus on treating the active drug user in a compassionate and comprehensive way. Presentations will include training in harm reduction, infectious implications of drug use, engaging drug using patients in care, and integrated care in patients who use drugs. The summit will feature local, state and national experts in drug user health.

AUDIENCE

Physicians, physician assistants, nurse practitioners, pharmacists, nurses, public health professionals, substance abuse counselors and anyone interested in working with patients who are actively using drugs or have used drugs.

OBJECTIVES

Upon completion of this knowledge-based educational activity, participants will be able to:

- Describe the current epidemiological landscape of the infectious implications of drug use in North Carolina.
- Discuss ways patients may use drugs and describe how to develop tailored treatment plans.
- Identify and develop collaborations with other area providers working with drug users along the spectrum of care.
- Develop clinic practices that promote a nonjudgmental clinical atmosphere that actively engages and retains patients in care who use drugs.
