DESCRIPTION

In today’s quickly changing and fast-paced healthcare environment, engaging students can be a satisfying yet challenging endeavor. The Preceptor Conference is a teaching conference for preceptors in a variety of disciplines that will prepare you to teach learners of all levels. You will gain skills to start a teaching program or expand your capacity for learners. We will address managing difficult learning situations, layering of learners at different levels, navigating on-boarding logistics, integrating a learner while managing your own schedule, and much more!

AUDIENCE

Providers, Advanced Practice Providers (APPs), Nurses, Pharmacists, Registered Dieticians, and other interested healthcare professionals.

OBJECTIVES

Upon completion of this activity, participants will be able to:
- Gain the tools needed to develop a preceptorship in your local practice
- Identify learning needs and deficits in a student
- Identify local and statewide resources to support a preceptorship in the clinic setting
- Recognize factors that contribute to stress and burnout and develop skills and strategies for self-care
- Identify key skills needed for student growth
- Adapt your preceptorship to teach students on a variety of different learning levels

CREDITS
