

AN ADVANCED COURSE DESIGNED FOR THE REGISTERED NURSE

Wednesday, July 19, 2023

Location	MAHEC Simulation Center 119 Hendersonville Road Asheville, NC 28803
Date	Wednesday, July 19, 2023
Check-in	7:30 am–7:45 am (<i>breakfast provided</i>)
Program	7:45 am–6:00 pm (<i>lunch provided</i>)

**REGISTRATION FEE INCLUDES THE ATCN®
STUDENT COURSE MANUAL & SHIPPING**

\$400.00 Registration Fee

BLENDING LEARNING FORMAT

The ATCN® Blended Learning Student Course is an alternative option to the traditional two-day ATCN® Student Course. Students choosing to take the blended learning option will be required to complete the full complement of online MyATLS learning modules. An access link for the learning modules will be provided via email once registration has been received. The online portion involves **9.25** hours of educational content. After successful completion of the MyATLS modules, students must then complete the ATCN® skills stations, skills test, and written examination in a classroom setting. The classroom portion of the ATCN® Blended Learning Student Course will be completed in one day and has been approved for **9.75** continuing education hours through the The Society of Trauma Nurses.

JOINTLY PROVIDED BY

COURSE DESCRIPTION

Injured patients present a wide range of complex problems. Advanced Trauma Care for Nurses (ATCN®) is an advanced course designed for the registered nurse interested in increasing their knowledge in the management of multiple trauma patients. ATCN® was developed to teach established standards of care and practical, life-saving skills. This advanced trauma course is designed for nurses working in emergency departments, ICUs, medical-surgical floors, or operating rooms who wish to increase their knowledge and practical skills in managing multiple trauma patients. The ATCN® program has been operational for over 15 years and has an excellent record of offering a superb trauma educational program, and maintaining a positive collaboration with the ACS Committee on Trauma State Chapters.

ATCN® skill stations include:

- Initial Assessment and Management
- Airway and Ventilatory Management
- Pediatric Trauma
- Hemorrhagic Shock
- Musculoskeletal and Spinal Trauma
- Head Trauma

The skill stations are based on an interactive “hands-on: scenario-based approach” to adult education. The practical testing stations allow the ATCN® students to demonstrate the application of ATCN® information on a moulaged patient.

Participants will receive an ATCN® manual.

There are no prerequisites for the full certification course. Your certification must be current for the renewal course.

This course is designed for nurses. Lectures, practical skills stations, and testing are provided by ATCN® faculty.

AUDIENCE

Experienced Nurses practicing in the following areas: pre-hospital and aeromedical, emergency departments, surgical intensive care units, and operating rooms.

OBJECTIVES

Upon completion, participants will be able to:

- Assess the patient's condition rapidly and accurately
- Perform a primary assessment and resuscitation with decision to transfer on a priority basis
- Discuss indications for and treatment goals with nursing responsibilities for various adjuncts, management techniques of hemorrhagic shock, head trauma, spine and extremity trauma, and special management considerations for pediatric trauma
- Perform a comprehensive secondary assessment

CREDITS

The Society of Trauma Nurses is accredited as a provider of continuing nursing education by the American Nurses Credentialing Center's Commission on Accreditation. The ATCN® Blended Learning Student Course has been awarded **19.0** total contact hours. Partial credits are not available.

MEDICAL COURSE DIRECTORS

Michael Schurr, MD

Mission Health, Asheville, NC

William Shillinglaw, DO, FACOS, MHA

Mission Health, Asheville, NC

ATCN® STUDENT COURSE MANUAL

All participants are expected to bring with them an ATCN® 10th Edition Student Course Manual. Registration fees include the manual and shipping.

Every effort will be made to deliver these materials prior to the course. If your registration is received after **July 5, 2023**, the manual will be given to you the day of the course.

Your shipping address will be the address entered on the last page of this brochure or during online checkout. Please update if necessary. **No PO Boxes.**

REGISTRATION POLICIES

Early registration deadline: July 5, 2023

Registration for this course will close promptly at 5:00 pm on July 18, 2023.

Course fees include administrative costs, educational materials (including the ATCN® Student Course Manual and shipping), a light breakfast, and lunch. If your registration is received after the above deadline, the total will be the registration fee + \$50.00.

MAHEC has a pay-up-front policy for all CE programs. The only exceptions will be for pre-approved programs where an individual payment plan is appropriate. Registrations that are received without accompanying payment will not be processed and participants who have not paid the course fee will not be admitted into the program.

Unless otherwise noted in course materials, the following cancellation policy applies to all programs:

- Cancellations must be in writing (via fax, email, or mail)
- Cancellations received more than 2 weeks prior to the event will receive 100% refund
- Cancellations received between two weeks and two full business days prior to the first day of the event are refunded at 70% of the registration fee subject to a minimum \$25 cancellation fee
- No refunds or credits will be given for cancellations received less than two full business days prior to the event
- No vouchers will be issued in lieu of a refund
- Transfers/substitute(s) are welcome (please notify us in advance of the program)

ACCOMMODATIONS
