

FALL 2024

Katherine Alejo-Palacios
Buncombe County Early College

By being a part of this MMMP internship, I want to learn more about the different fields of medicine and decide what field I would like to pursue a career in. I am looking forward to meeting new people and learning about their experiences. It is exciting to have new opportunities around me.

Keira Beck
School of Inquiry and Life Sciences (SILSA)

My career goals as an anesthesiologist involve providing compassionate care, ensuring patient safety, and continually advancing my skills to contribute to surgical success and patient well-being. I'm looking forward to exploring and learning more about different healthcare fields and finding a potential field that I'll pursue for the rest of my life.

Ashley Marquez-Cruz
Buncombe County Early College

I'm looking forward to meeting new people who have insights on the healthcare industry that I've not seen before and learn new ways to think about healthcare and what we can do to better it as young people. "If you want something you've never had, you must do something you've never done" - Thomas Jefferson

Kimberly Palacios-Lopez
Buncombe County Early College

While participating in this program, I hope to learn more about the medical professions that interest me and grow my experiences by learning new things. I would also like to meet new people through this program and be a part of this community.

Amira Robinson
AC Reynolds High School

My dream has always been to become a paramedic and this program is the best thing to happen to me. I'm excited to see all the medical aspects that his program has to offer.

Shilah Sutton
Enka High School

My goal is to be a helping hand in healthcare and to make a difference for the future. I am looking forward to learning more about, and exploring the different careers in healthcare.

SPRING 2025

Alika Charania
Nesbitt Discovery Academy

I hope to pursue med school, and I am interested in going into a field involving public health to make an impact on access to healthcare. During this program, I'm looking forward to being immersed in a hands-on setting to gain experience from experts in the field.

Donia Fariady
School of Inquiry and Life Sciences (SILSA)

I am just an Afghan girl, whose dream is to become a cardiologist. For me, it is not just an internship, it is an opportunity that makes my wings stronger to support me throughout my journey towards victory.

Aleeyah Johnson
AC Reynolds High School

"Learn all you can and can all you learn." I am looking forward to learning about multiple specialties in the program to help me achieve my career goal.

Menahil Mian
Nesbitt Discovery Academy

I would like to specialize in the field of dentistry, and I aspire to have my own private practice. I look forward to interacting with patients and doctors, along with being able to expand on my knowledge about different health careers in this internship.

Ashley Monroy-Patino
Henderson County Early College

My health career goals are to become a certified CNA and then go to nursing school to pursue a career in travel nursing! My hope is to make every encounter with my patients a meaningful one. I'm passionate about saving lives and doing all I can to make people's lives easier!

Brylee Wightman
Charles D. Owen High School

My health career goal is to become a CRNA and I know this program will help me gain the experience I need. I am looking forward to meeting others and working with healthcare professionals.
