Lead Peer Support Role:

The Lead Peer Support is responsible for making sure agency Peer Support Meetings take place two times per quarter. They will ensure that providers are identified ahead of time to present at these meetings. The Lead Peer Support will facilitate the meeting using the PASS model. They will ensure brief notes are taken and submitted. The Lead Peer Support is also encouraged to attend quarterly Peer Support Coaching sessions at MAHEC to develop their confidence and competency in this role.

PASS Model:

The Peer Assisted Supervision & Support or PASS model aims to help providers assess their strengths and refine their delivery of Triple P while receiving structured feedback from peers. Use the flow chart below to guide the Peer Support Meetings.

Choosing a Case to Present:

One or two providers should be prepared each meeting to present and receive feedback on a Triple P topic relevant to the agency’s work. The providers can elect their own topics based on where support is needed. Below are some example topics;

- How to manage time during sessions
- How to keep parents focused/on topic
- Strategies for effective follow up

Key Steps:

- Schedule Peer Support Meetings two times per quarter
- Identify provider(s) to present a Triple P topic relevant to scope of work
- Use the ‘Agency Peer Support Agenda’ found at https://mahec.net/patient-information/triple-p/provider-resources
- Send brief minutes using the Peer Support Agenda sarah.clark@mahec.net and copy agency supervisor
- Attend quarterly Peer Support Coaching sessions at MAHEC
